1. BRUCK on the Leitha River (P 49/X 77)

a. The Soviet kommandantura with 2 officers and 12 to 15 EM wearing red-bordered, black epaulets was located on Fisch-amenderstrasse.

b. Only a small rear detail was located in the former Panzer Kaserne south of the railroad station.

c. No Soviet troop trains passed through the town.

2. KAISERSTEINBRUCH (P 48/X 67)

A local resident stated that light artillery fire has been heard from the center of the troop training grounds on all days, including Sundays, since mid-July 1949.

Comment:

The observations made in BRUCK on the Leitha River and KAISER-STEINBRUCH do not indicate any change in the previous military situation. The units from BRUCK are assumed to have still been at the DOELLERSHEIM troop training grounds in mid-August 1949.
