SOURCE [REDACTED]

The Albertshof (N 53/Z 96) improvised airfield (for location see Annex) which was constructed in 1948 was unoccupied. The landing field, about 300 meters x 2 kilometers, was sodded. There were no buildings or hangars. The former road to Schoenfeld (N 53/Y 07) which crossed the landing field was blocked. Trees near the field were being cut.
