SUPPLEMENT TO REPORT NO.

1. The Chinese Communists in Macao have organized an action committee (行動組) under the direction of HUANG Sen.* Its mission is to eliminate the Kuomintang (KMT) influence among Chinese in Macao and organize the latter on behalf of the Chinese Communist Party (CCP). Terrorist methods are being used against KMT members in Macao, together with attempts to persuade the Macao Government to expel them. At the same time pressure is being brought to bear on all political neutrals to induce them to participate in CCP activities.
2. Both the CCP and KMT in Macao have armed gangs at their disposal. The KMT's gang devotes itself to the protection of a few of the Nationalist leaders. Under pressure from Canton, the Chinese Communists are eliminating, by murder and kidnapping, the unprotected Nationalists, but are afraid to attack the KMT's gang.
3. The largest gang in the Macao underworld is controlled by persons who are politically neutral, and Macao authorities have been trying to use this gang to maintain law and order in the Colony.**

** [REDACTED] Comment. The situation is critical because of the possibility that the Chinese Communists in Macao may, under pressure from Canton, attempt to liquidate all non-Communist elements in the Colony. The apparent aim of the Chinese Communists in Canton is to run Macao under the present Portuguese administration.
