SUPPLEMENT TO REPORT NO.

25X1X

1. Two Soviet tank divisions are billeted in former Rumanian barracks in Focsani. There are approximately one hundred tanks in Focsani and in the Vrancea Mountains. Two or three of the tanks are of American make with two guns on the turret. The tanks have treads 50 to 60 centimeters wide. They go on maneuvers as far as Buzau.
2. Two Rumanian regiments in Focsani are billeted in private homes.
3. The Rumanian Air Force has an airfield south of Bariera-Braila, and one north of Bariera-Amortitu. There are no hangars at either airfield. The first airfield has Soviet training planes and the second Rumanian training planes.
4. There are five to six warehouses for war materiel at Bariera-Cotesti.
5. Attached herewith is a partial sketch of Focsani pointing out Soviet barracks, ammunition depot, flour mill, railroad station, and an airfield.
