REMARKS [REDACTED]

RETURN TO CIA LIBRARY

25X1A [REDACTED]

1. A total of ten locomotives were dispatched from Frankfurt/Oder to Brest Litovsk on 15 and 16 January 1951.
2. Two locomotives were dispatched from Frankfurt/Oder to Brest Litovsk on 16 January 1951, and four on 17 January 1951. *

25X1A

* Comment. The locomotives are believed to be column locomotives needed in Brest Litovsk. Since another report stated that westbound traffic is heavier at present than traffic in the opposite direction, additional locomotives are required for the handling of such westbound trains in Brest Litovsk.
