	picked up by truck lotor vehicles were also observed.	
7.	The Krueger Kaserne seemed to be still occupied by about 1,000 troops. Training activity was not observed. Motor vehicles seen at the in- stallation included vehicles driven	50X1-HUM
	by soldiers with red-bordered black epaulots, the last vehicle's driver wearing tank insignia. Other vehicles seen there	
8.		50X1-HUM
•	Soldiers observed wore red-bordered black epsulets, presumably with ar- tillery insignia . A group of 15 to 20 soldiers was seen at the installation No training activity was observed. Nilitary personnel, mostly officers, were observed between the Hindenburg Kaserne and a corner building on Kaethe Kollwitzstrasse, which was believed to house a headquarters.	50X1-HUM
9.	The Maltke Kaserne seemed to be occupied to capacity by not less than 1,000 troops. All windows of the installation were lighted the evening All sentries and gate guards were withdrawn . Soldiers	
	observed wore red-bordered black epaulets, including some with artillery insignia, Motor vehicles were seen in the billeting area. *	50X1-HUM 50X1-HUM
10.	The Adolf Hitler Kasorne seemed to be occupied to capacity by not less than 5,000 troops, since the windows of the installation, including most of its garages, were lighted in the evenings. Most of the soldiers observed wore black-bordered red epaulets and rod-bordered black epaulets. Gate guards at the front entrance wore black-bordered red epaulets and those at the rear entrance red-bordered black epaulets. Twelve garages were occupied to capacity, predominantly by trucks. Two hundred troops without equipment, wearing black-bordered red epaulets were engaged in an endurance test.	
11.	Notor vehicles were seen in the billeting area.	50X1-HUM
	indicated that, there were no changes in the occupation of Schwerin barracks installations. The units in the individual installations were engaged in basic training and troops of no more than platoon size were seen leaving for practice at the drill field or target range.	50X1-HUM
12.	Signal sections of the unit in the Fritsch Kaserne practiced with portable radio and telephone sets south of Osterfer Lake. Another small unit from the Fritsch Kaserne practiced with four rubber rafts and three assault boats at the southern shore of the Osterfor Lake. Leter vehicles seen with the	: - - - -
