THIS IS UNEVALUATED INFORMATION

50X1-HUM

1. Gazobudowa, the state enterprise for the construction of gas installations, with main office at Bytom (Q51/Y47), will carry out the following building work and laying of pipelines within the framework of the Six Year Plan:

- a. 1,100 km gas pipe network.
- b. 13 gas pressure pumping stations (przetlocznia gazu).
- c. 6 desulphurization gas works.
- d. 35 gasoline filling stations for motor vehicles.
- e. 1,400 km. gas distributing network in various towns.

2. Gazobudowa was scheduled in 1950 to build a 145 km. gas pipeline from Lubien (Skarzyko-Kamienna area) to Warsaw through Radom. Only half the work was carried out, however, and it is planned to complete the construction of the pipeline by the end of the current year.
