	20 and 21 March. Same routine as on 15 March.
	22 March. Cleaning of Juns and vehicles from 9:30 a.m. to 12:30 p.m. and from 1:15 to 3 p.m. Instruction after 5 p.m.
	24 Harch. Six units with a total of twelve 122-mm guns, twelve 152-mm guns, six field kitchens, six gun-barrel trailers, and two radio trucks left toward Wildpark at about 5 a.m. Twelve trucks with new ammunition trailers left at 6:30 a.m. Trucks  50X1-HUM
	each carrying four officers, went toward Wildpark at 9:40 a.m. the troops went to Altengrabow for several days of firing practice. About 200 soldiers remained at the installation and cleaned equipment in three ordnance sheds and two garages.
	27 March. The troops who remained at the installation engaged in fatigue duty until 5 p.m. and received theoretical instruction until 7 p.m.
	28 March. The troops reportedly returned between 6:30 and 7:30 a.m. Twenty-four caterpillar tractors with guns, six caterpillar tractors with guns-barrel trailers and two radio trucks were in the barracks yard at 8 a.m. Twelve trucks with trailers and six field kitchens were parked in another yard. (1)
2.	It was said that 20 new officers would be billeted in the officers' hotel opposite the Delius Kaserne.
3.	the ration strength of the engineer unit in 50X1-HUM the Delius Kaserne was 82 officers and 360 EM on 9 March. The engineer troops were seen training with practice mines and bazookas at Bornstedterfeld.
4.	A shipment of 13 officers and 64 EM left the Delius Kaserne on 7 March, going to Rathenow, allegedly for processing to the U.S.S.R. (2)
5.	Between 6 and 13 March, the Adolf Hitler Kaserne, also called the Panzer-grenadier Kaserne, continued to house the komendatura, MVD personnel, a motion picture studio, a prison, and club reoms. (3)
6.	The 3d Garde Ulanen Kaserne continued to quarter a guard unit of about 150 men.
	The Unteroffizier Schule was occupied by about 150 soldiers with red-bordered black epaulets and about 60 signal troops with black epaulets who seemed to be engaged in line maintenance.
.3	Units of 150 and 120 soldiers respectively marched into the General's Quarter in Neuer Garten on 7 and 8 March. The troops were red-bordered black epaulets and belonged to the military police unit stationed in Meuer Garten.  50X1-HUM
	General's Quarter had increased to 90. 50X1-HUM
9.	The Ruinenberg Kaserne housed a military post office and a driving school of about 150 soldiers with motor transport insignia. No heavy weapons were observed.
10.	The former Friesecke & Hoepfner Firm, situated at the intersection of Ernst 50X1-HUM Thaelmannstrasse and Zubeilstrasse, was occupied by about 400 troops who wore black epaulets and red-bordered black epaulets. Four two-axle trailers each carrying a hinged, telescopic metal mast and two reels with silver-colored wire, 2 to 3 cm in diameter, were parked in the southern section of the installation. Trucks    Very observed in the factory yerd. Jeep   100
	was perked at the gate on Thaelmannstrasse.

(4) The balloon battery, which probably belongs to the unidentified artillery division in Potsdam, is believed to have been at Altengrabow in mid-larch 1951.

(5) the barracks installation on the south side of Pappelallec was completely destroyed.

(6) The eastern section of the Luftnachrichten Kaserne in Potsdam-Golm quartered about 1,500 artillery troops in early February 1251.

The troops were probably at Altengrabow 50X1-HUM by the present report.
