	6.	The quarters of the Fliegerhorst Laserne were about 30 percent
25X1		lithted on the evenings between 28 November and 4 December.
	7.	On 23 November, the Artilleric Kaserne was occupied to capacity by
	,	trops, most of whom wore red-bordered black evaulets and a few,
25X1		blick-bordered black epaulets. Sixty soldiers were seen practicing
		with four T-34/05 tanks in the barracks yard. Two T-34/76 tanks
25X1		and four model 42 ZIS-3 guns of 76-mm were parked in the yard. Only troops with red-bordered black epaulets and none with black-bordered
		blick epaulets were seen in the billeting area on 30 Hovember. A
25X1		unit of about 50 men with red-bordered black epaulets left the
		installation toward the town. About 40 trucks were seen through the
25X1		open doors of the garages.
