Comment. Before its expropriation the Phonetica Plant belonged to the "Phonetica-Radio G.m.b.H." The plant was at 112 Franz-Josef-Strasse in Berlin-Weissensee. The reported plant manager, Stoesser, is a technical-school engineer by profession. Since 1949, he has been manager of the radio tube production department in the SAG Plant Obersree cable works in Berlin-Oberbaumgarten. In mid-1951 he left his post at the Obersree cable works and was employed by the VEB Phonetica.
