Approved For Release 2006/03/18: CIA-RDP82-00457R010900210005-7 25X1 SECRET-CONTROL/US OFFICIALS ONLY Security Information On 9 January, T-34 tanks were seen moving cross country on the training field along the road from Sachsenhausen to Friedrichsthal, north of Oranienburg. T-34 tank was see was seen 25X1 25X1 at the same field on 11 January, and T-34 tanks were seen on 15 January. About 200 troops wearing red-bordered 25X1 black epaulets with tank insignia and carrying rifles received field training along the railroad embankment north of the Sachsenhausen railroad station on 10 January. The troops primarily simulated offensive maneuvers. (1) On 16 January, it was determined that the RTO of the Soviet komendatura was located at 11 Greifswalderstrasse. Workers who were engaged in improving the so-called Zeppelinhalle on the embankment of the Sachsenhausen-Oranienburg railroad line said that the building would be converted into a supply installation as soon as possible. (4) T-34 tanks were observed on a regular freight train going from Oranienburg toward 25X1 Loewenberg on 10 January. 25X1 25X1 In the evening of 9 January, all buildings of the SS Kaserne on Bernauer Allee were fully lighted. Sedans were parked at the barracks gate. 25X1 25X1 A train which left the Oranienburg railroad station northward at about 10:45 a.m. on 14 January consisted of 2 boxcars, each carrying 15 soldiors with red-bordered black epaulets; 10 closed boxcars; and 7 flatcars, each carrying 1 truck and 1 x 37-mm AA 25X1 On 12 January, 4 x 45-mm AT guns were being emplaced north of the 25X1 8. Industriehof which belongs to the SS Kaserne. In late December 1951 the ranking officer in the SS Kaserne was Colonel Gruenshenkov (fnu) (phonetic spelling). The colonel was billeted at 11 Hubertus-25X1 strasse within the limits of the military billeting area.
