1. The new short wave radio station for passing secret instructions to cultural officers on board Polish ships at sea is located in the R.K.U. (Regional Recruiting Office) building in Gdynia. Its call sign is S.P.G.2 and it transmits on a wave length of 4 megacycles for ten minutes every hour. All ships' radio officers, if their ship is equipped with short wave radio equipment, have instructions to keep a listening watch.
2. New short wave transmitters and receivers are being installed in Polish merchant vessels which have not already got short wave equipment.*
