Comment. It is possible that the train carried a component of the 4th AT Arty Brig (US) of the IV Arty Corps from Jueterbog-Heues Lager which returned to its post from Neustrelitz on 9 May.

25X1A

Comment. The daily number of personnel going to, and coming from, Brest Litovsk, tends to indicate that, although the divisions are being transferred to the troop training grounds, the volume of leave traffic in both directions remained almost the same.
