* [redacted] Comment. The railroad tank cars operating through Frankfurt/Oder and Scheune were en route from or to the U.S.S.R. The shipments dispatched to Stettin are trans-loaded there to ships. 25X1

** [redacted] Comment. Fuel shipments via Forst will be delivered to Poland. The empty railroad tank cars returning from Poland are also dispatched through this border crossing point. Slawecice (Elronforst) on the Kozdianzyn-Clitice (Hawelrook-Clititz) railroad line often is the receiving station for fuel shipments. 25X1

*** [redacted] Comment. The shipments through Bad Schandau and Bad Drانبach consisted of topped crude oil from Zistersdorf in Austria and returning empty cars. Wobenu is 10 km northeast of Zistersdorf on the Vienna-Budenburg-Eruenn (Luno) trunk line. 25X1
