During the period from 13 to 19 June, about 100 soldiers wearing red- bordered black epaulets who were quartered in prepared quarters in the officers' club arrived in the Adler Raserne and Loewen Kaserne south of Highway 103. During the period from 7 to 12 June, several colonels arrived at the installation. They were billeted in building 11. On 19 June, they were still there and apparently were not engaged in any specific activity. A unit which had arrived in mid-May and was quartered in building 16 was repeatedly seen leaving the installation with eight 57-mm AT guns which had not been previously seen in the installation. Source learned from soldiers that Lieutenant Colonel Lefchenko (fnu), the commanding officer of the unit, left for the U.S.S.R. in early May 1952 for two months of leave. (1)

Two trucks each towing a 57-mm AT gun left Pallgow in the direction of Rohrbeck. 13. During the period from 26 May to 12 June, the Flak Kaserne west of the Olympisches Dorf was occupied to capacity. Two trucks,
25X1 25X1 25X1	each towing a light AT gun daily entered the installation at about 4:45 p.m. Many imprints of track-laying vehicles were seen at the exit of the barracks installation leading toward the troop training grounds. (8) 14. During the period from 10 to 11 June, a column of: 1 sedan; 3 amphibious cars; 26 motorcycles with sidecars; 3 armored personnel carriers each occupied by 12 soldiers; 1 half-track armored personnel carrier mounting a 47-mm AT gun;
25X1 25X1	and 2 trucks each occurred by 12 soldiers wearing red-bordered black epaulets daily entered the Neues Lager west of Altes Lager. (6)
