1. There is currently circulating in Santiago a sensationalist one-page publication called Noticias del Dia, which, like the similar El Cameraman de Santiago, resembles a wall poster more than a periodical. The publication has an anti-US orientation and has apparently been in circulation for some time although little additional information is available. On several occasions there have been two or more editions in one day.
2. The owner-director of Noticias del Dia is Jorge Munoz Valenzuela, a journalist with offices at his home on Calle Hurtado Rodriguez 330, Santiago.¹ Noticias del Dia is printed by the "Imprenta Santa Patricia", Teatinos 446-A, though it is listed only as published by the "Empresa Periodistica Editora de Boletines Relampagos."
3. The publication is reportedly financed through paid ads and fees received from merchants who display the paper in their shop windows. Its circulation is not known.
