2. Ladislav Kopriva now heads Section II of the Ministry of the Interior. He is making preparations for the reorganization of all communal enterprises, industries, and farms, which have up to the present been under the jurisdiction of towns, cities, and villages.
3. The de facto chief of the Ministry of Heavy Engineering is one (fnu) Voroblyev, a Russian, who is in the process of reorganizing the ministry. There are two unidentified Russian advisors in the Ministry of Mining and Metallurgy.
