Dear Frank:

Here for your information is a copy of my letter to [Redacted]

25X1

[Redacted] confirming the FBIS proposal made during my recent visit to Cologne. The estimated cost is somewhat higher than we had discussed with [Redacted], but we only intend to charge for actual costs which may turn out to be less.

FBIS will initiate MODE action in order to obtain State Department and Embassy approval as soon as we have an affirmative response

[Redacted]. Rigid procedures require that this action be kept in Agency headquarters channels to the Department.
