(e) All communications from the Executive Department (Governor) of the State of Hawaii, the State of Hawaii, and any department thereof, and any other political subdivision of the State of Hawaii or its representatives to the United States Government and/or any of the above-designated agencies, and any and all communications from the U.S. Government to the State of Hawaii and its representatives as above-referenced, regarding the Island of Kahoolawe, or the continued use thereof by the U.S. Government and its agencies and departments, from 1953 to present.

(5) All reports of physical or mental examinations, and of scientific tests or experiments, or copies thereof, which are in the custody, possession or control of any of the addressees herein, related to the use and disposition of the Island of Kahoolawe, including but in no way limited to tests or experiments relating to the use of the Kahoolawe and the continued need for such use from 1939 until the present;

(9) Any and all administrative staff manuals, instructions, policy statements and directives to staff of each and every one of the herein designated agencies which in any way relates to Glenn Kanemo Davis, the Hawaii-based organization known as the "Kahoolawe Ohana," and/or to any known member of the "Kahoolawe Ohana."

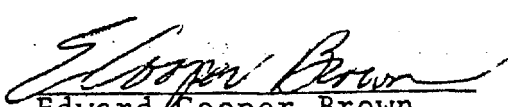

As you know, the amended Act provides that if some parts of a file are exempt from release that "reasonably segregable" portions shall be provided. We therefore request that, if you determine that some portions of the requested materials are exempt, you provide us immediately with a copy of the remainder of the materials. We, of course, reserve the rights to appeal any such decisions.

If you determine that some or all of the materials are exempt from release, please advise us as to which exemption(s) you believe covers the material which you are not releasing.

We are prepared to pay reasonable costs for locating the requested files and/or materials and reproducing them. However, the amended Act permits you to reduce or waive the fees if that "is in the public interest because furnishing the information can be considered as primarily benefitting the public." We believe that this request plainly benefits that category and ask you to waive any fees.

As provided for in the amended Act, we will expect to receive a reply within ten (10) working days.
