

DIRECTOR OF CENTRAL INTELLIGENCE
Security Committee

SECOM-D-444

Mr. George Weisz
Director
Office of Safeguards and Security
Department of Energy
Washington, D.C. 20545

Dear Mr. Weisz:

Assistant Secretary Sewell has advised me that you have been designated as the Department of Energy principal member of the DCI Security Committee. I look forward to having you join us in our efforts to enhance the security of the Intelligence Community.

I have asked the Committee Staff to forward to you a current list of other members and other material you may find of interest.

We usually meet once a month and I am always ready to call a special meeting at the request of any member. I've cancelled the February meeting in view of the fact that we are planning a two day meeting of Security Committee Principals and the Staff for 13 and 14 March, with return to Washington on the 15th, at the CIA Special Training Center. The objective is to provide time and environment for members to discuss and develop sound approaches to significant security issues facing us today. I hope you can join us.
