## DIRECTOR OF CENTRAL INTELLIGENCE Security Committee

SECOM- D-335

29 August 1980

	NOTE FOR: Chairman, SECOM	
25X1A	FROM:	
	SUBJECT: Meeting with	25X1A
	-	
25X1A	1. I met with Chairman, Information Handling Committee from 9 to 1015 hours 29 August 1980.	
25X1A	2. He is trying to create an SI/TK (APEX) level computerized listing of intelligence publications for Companalysts use.	munity
e e	3. He seeks assistance in the establishment of an interpretation of DCID 1/7 that will permit listing of titles of ORCON reports. DDO says they do not want their TS and S level ORCON publication on such a listing and arusing DCID 1/7 as authority for their position.	e .
25X1A	4. It was pointed out that SECOM had just completed revision of DCID 1/7 and that it was at the NFIB level for consideration. It was suggested that RMS representative NFIB might take the opportunity at the NFIB discussion of DCID 1/7 to raise issue. Depending on the outcome of the NFIB discussion SECOM would be pleated support as feasible.	to 25X1A
