SECRET

25X1A

Briefings. [] presented a briefing on "Exploitation Facilities for a New System," and [] briefed on NPIC's R&D efforts related to exploitation of the new system.

25X1A
25X1A

25X1A

Procurement Coordination Team. [] announced that because of joint procurement of [] Zoom 240 microscopes, there will be a 25 percent discount on our recent order.

25X1A

14 x 18 Inch Light Table. [] noted that [] plans to buy five new Richards tables patterned after those ordered by IAS. We will be able to evaluate both models prior to our FY 73 procurement.

25X1A
25X1A

COOL GRIDS

IAS order for cool grids has gone through and the vendor should start picking tables up next week.

ELT-MIM TABLES

25X1A

[] reported that the order for the ELT-MIM table is still in procurement for contract negotiation.

MID-YEAR BUDGET REVIEW

25X1A

[] announced that the mid-year review of the budget was completed and sent to Headquarters. Because of the recent pay raise and our equipment needs we will require an additional [] during FY 72. We will reduce our order for additional equipment if the money is not forthcoming.

25X1A

25X1D

CRAIG ELECTRONIC CALCULATOR

25X1A

[] demonstrated a pocket size, battery operated, electronic calculator with an eight digit display. It adds, subtracts, multiplies, and divides. The IAS Exploitation Equipment Team will evaluate our needs.

MICROFICHE EQUIPMENT

25X1A

[] reported on the viewer/printer equipment he saw demonstrated at Headquarters. He was impressed with the quality of reproductions. After a brief discussion the members decided that the Equipment Team should determine the need based on the usage of our existing equipment.
