MEMORANDUM TO LATIN AMERICAN POLICY COMMITTEE

FROM: James M. Frey, Executive Secretary

SUBJECT: Attendance at LAPC Meetings

Assistant Secretary Mann and others have expressed concern over the increasing number of persons attending meetings of the LAPC and the implications of this trend on the effectiveness and usefulness of the discussions.

It is Mr. Mann's wish, therefore, that only members of the LAPC or their alternates attend future meetings. When attendance of others is considered desirable, invitations will be extended on a one-time basis.

Attached is a list of LAPC members and alternates. If there are any changes proposed in this list, please communicate them to Mr. Frey or Mr. Taylor (Code 182 - Ext. 8411).
