MEMORANDUM FOR 

ATTENTION:

SUBJECT:

25X1A

1. Attached herewith is information from the field with respect to two B-26 aircraft. The information furnished seems to indicate that one aircraft is in flyable condition after minor repairs, and that the second aircraft is not in flyable condition.

2. Also attached is a letter authorizing delivery of the aircraft to me as  or to my duly appointed representative.

3. It would seem that the next move might be for one of your representatives, carrying a letter of authorization from  inspect the two aircraft in  and possibly make arrangements for the delivery of the flyable plane to any point you may select. He could also obtain an estimate on the cost of repairs for the second aircraft which would let you decide as to whether or not the second aircraft is worth picking up at this time.
