STRATEGIC SERVICES UNIT, WAR DEPARTMENT

Country: Germany/Russian Zone

Subject: Airfields in Berlin Area: Schoenwalde

Location: Field lies at northern end of the town of Schoenwalde (L66), about 18 kilometers northwest of Spandau. The administration buildings are located along the road which goes through the village.

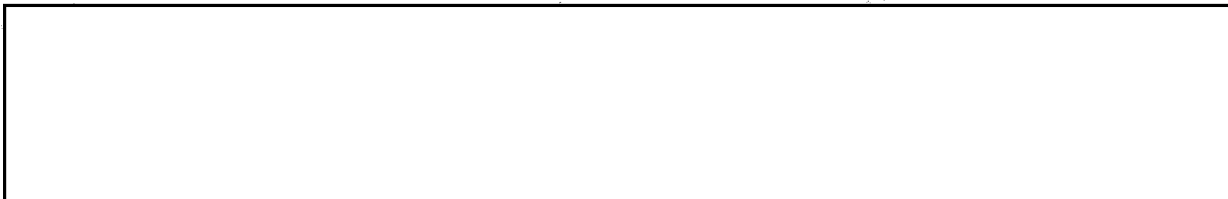

Surface: Grass runway.

Dimensions: Field, running east-west, is approximately 1,000 meters long, approximately 600 meters wide.

Hangars: Each of four hangars about 15 x 50 x 70 meters. They are used as assembly shops.

Facilities: Some of the fuel is stored in special underground tanks.

General: About 50 planes of various types were observed on the field: commercial, combat, pursuit, and observation planes. Repeated landing and take-off maneuvers as well as formation flying were observed.
