NOTE

This list is an expanded version of the roster of Comintern personnel published under [ ] 1 December 1947. It is not a complete biographical register and is subject to correction and amplification. Although a considerable number of previously unassembled data has been included, the present list is by no means definitive. The lack of information on individuals active in the clandestine communication service and other field agencies of the Comintern is particularly conspicuous. The absence of adequate checking facilities accounts for possible inaccuracies in spelling and identification.

Appendix A, following page 157, lists Comintern personnel by countries. Appendix B contains a list of abbreviations. Numbers in round brackets immediately after the name entry in the first column refer to the pages of a previous study, "The Third (Communist) International, Structure and Functions," [ ] October 1947.

Alleged Comintern agent, arrested 5 May 1935, Shanghai, sentenced

conditionally in Nov. 1937. Had presumably been at the head of  
an espionage system directed against the Chinese Central Govt. on  
behalf of the CCP and of Red Armies operating in interior of  
China. Of the four passports found on him at time of his arrest  
two were French, one Czech, and the other Chinese. These were  
alleged by Vice-Consul, USSR, to have been stolen from Consulate  
General, Shanghai, between 3 May and 5 May. After a long silence  
"WALDEN" claimed identity with one Joseph WALDEN, French citizen,  
b. Hurlus, Marne, in 1895. Claim denied by French. Reportedly  
had arrived Shanghai 6 Aug. 1933 from Berlin via Venice on SS
