Attached are photostats

of a 28-page document drawn up by the SAG (Soviet Corporation) Marten Kupfer- und Messingwerke, Hettstedt, for the central supply accounting office of the Main Administration for Russian Property in Germany, Berlin-Weissensee. The information contained in the document is the following: the amount of all kinds of raw materials delivered to the Hettstedt plant from 1 January to 31 October 1951, the amounts actually used in this period, the same information for the month of October 1951, and the amount on hand as of October 1951.

The document consists entirely of tables, which have the following headings (figures refer to column numbers):

- (1) Consecutive No.
- (2) Designation
- (3) Unit

Allocated from Beginning of the Year

- (4) Total
- (5) From East Zone
