GDR REPARATIONS TO THE USSR IN 1951

Total 1951 reparations: 4,236.32

GDR reparations 1945-1951: 31,600

50X1-HUM

All the above figures for 1951 reparations are broken down to show the classes of commodities which were delivered and the purposes for which reparations payments were made

50X1-HUM

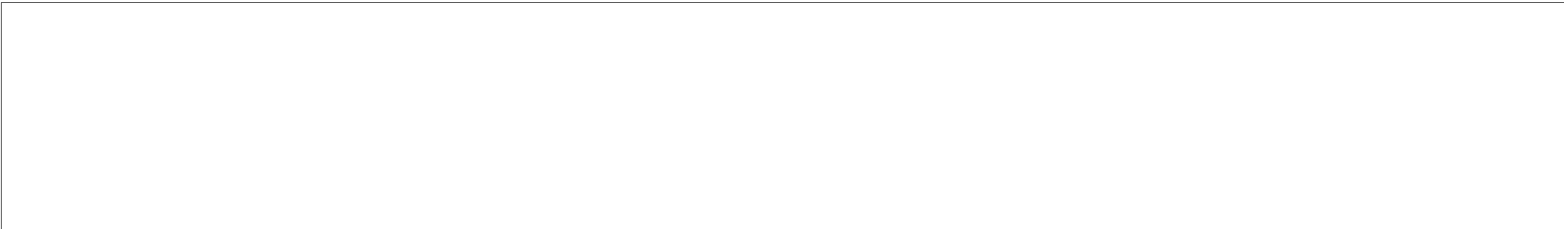

While the figures for ~~reparations in~~ 1950 and 1951 reparations are accurate the reparations figures for 1945-1949 are estimates.

50X1-HUM

It can be assumed that reparations, at least up to 1955, will average 4 billion East marks a year. ~~For this purpose, the number of Soviet troops stationed in the GDR may be expected to increase.~~ Furthermore, an increase in the number of Soviet troops stationed in the GDR may be expected.

The above figures for 1951 reparations do not include deliveries of 1,216 radio ~~trucks~~ trucks valued at about 103 million East marks.
