Dear Sir:

I am very much interested in the print medium of the People's Republic of China. However, I have thus far been unable to find any relative written materials (current newspapers, magazines, government or religious pamphlets, etc.) coming from the country. It is my hope that you may have access to some of these materials. Therefore, I am requesting your assistance in my venture. There is no essential need for the materials to be of an English translation.

Since the materials requested are needed by mid-November at the latest, I would be willing to pay the first class postage fee. Your expediency will be greatly appreciated.

Respectfully yours,

Debra Farrar
