MEMORANDUM FOR: Cable Secretariat

**SUBJECT : Review of Cable Dissemination Requirements
Office of Security**

**REFERENCE : Your memo to OS, dtd 21 Jul 65, Subject
As Above**

1. This memorandum is in response to your request that a review be made of cable dissemination requirements in the Office of Security.

2. The following changes are recommended:

a. In paragraph 1, entitled MISSION, the underlining should be deleted and that portion contained in the parenthesis should be removed.

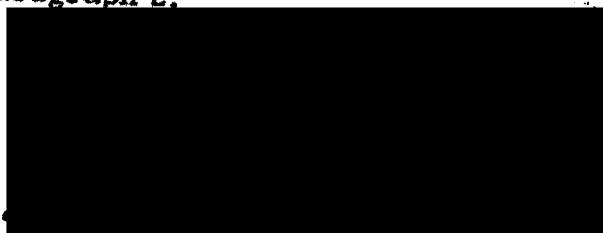

b. In paragraph 2 I, there should be added, "and the shipment of physical security items to Field Stations and Bases."

c. In paragraph 2 X, there should be added to the sentence, "excluding those originated from [redacted]"

25X1A

25X1A

d. An additional paragraph should read: "Cables concerning the construction, renovation, or acquisition of any U. S. Government owned or controlled facility which house, or are planned to house any Agency element" and should be added to paragraph 2.

25X1A
