

1 August 1975

TRENDS AND HIGHLIGHTS  
Special Security Center  
July 1975

1. During this month, the completed study on the Community-wide, Computer-assisted Compartmentation Control System was presented to the Chairman, Security Committee, USIB.

2. During July, the administrative handbook for guidance in handling three compartmented programs was completed and is now being printed.

3. On 17 July, a member of the SSC took over the duties of Security Officer for SE Division while the regular Security Officer was on vacation.

4. During July, 5 members of the Rockefeller Commission on Domestic CIA Activities were debriefed. These debriefings are continuing into August.

5. On 31 July, a member of the SSC, the Security Consultant to the Silver Recovery Program attended a meeting on this program at Indian Head, Maryland Naval Station.

6. During July, CIB deleted 145 names from the computer to bring the total down to 108,468 persons on record at the end of the month. There was a total of 1,772 cable actions and 267 briefings and debriefings. Seventeen SPECLE machine runs were supplied to customers this month.

7. During the last week of July, CIB went into parallel operations in the process of the changeover from SPECLE I to SPECLE II.

8. During the last week of July, debriefings associated with retirements and some terminations have caused heavy activity in CIB.

9. One hundred eighty five (185) CIA employees were briefed during July on programs constituting 320 compartmented programs. Ninety-nine (99) non-CIA individuals were briefed on a total of 262 compartmented programs. The largest customer this month was the Justice Department with 27 persons briefed on a total of 79 programs. Others briefed were from the following organizations:
