LONG-RANGE PLANNING GROUP AND ADVISORY MANAGEMENT GROUP

18 May 1973 -- 2:00 p.m. -- 4E-64

I. Introduction: This being my last meeting as Chairman, I will chop it roughly in half. I will bring you up to date on actions implemented. It would be somewhat inappropriate to engage in long-range planning a week before leaving the Office of Security. I will leave that to my successor, [REDACTED]

STATINTL

II. Implementations:

A. Debriefing of Security Careerists Returning for Overseas Assignments.

1. Memo to DD/PTOS dated 8 May 1973 - Read.

B. Security Awareness (Poster) Program

1. Memo to DD/PTOS dated 4 April 1973 - Read.

C. ICAP Program

1. Memo to all professional employees dated 27 April 1973.

a. From 1 January 1972 to 10 January 1973 61% of assignments in the Office of Security have been in accordance with employees' stated preferences.

D. Station Security Manual is under way -

STATINTL

 is working on it.

E. Minutes at Thursday's Staff Meeting.

F. Expanded attendance at the Special Agents
Training Course

G. Expanded attendance at the Physical Security
Course -- 12 slots

III. Value of the two groups.
