MEMORANDUM FOR: DD/PTOS

SUBJECT : Debriefing of Security Careerists  
Returning from Overseas Assignments

1. During a meeting of the Long-Range Planning Group and the Management Advisory Group, it was suggested that Office of Security careerists be debriefed in depth when they return to Headquarters after having completed a tour of duty at an overseas location. It was the feeling of the Group such a program would be beneficial to the morale of the Security Officer concerned as well as furnishing valuable information for succeeding incumbents and Headquarters management.

2. We have discussed this before whereupon you indicated that such a program would be initiated and that the debriefing would be accomplished by your Deputy.

3. Two of the members submitted outlines setting forth some of the items which they feel should be covered during the debriefing. The outlines are attached.
