MEMORANDUM FOR: Chief, Administration and Training Staff

SUBJECT

25X1A

: Internal Management Review

1. Attached herewith is certain sensitive material relating to the Executive and Planning Division and the Special Security Center.

2. Attention is directed to the fact that the Executive Staff has received rather drastic personnel cuts through the years and that both components are operating under strength for the responsibilities which have been placed on these units. As of 20 September

sibilities which have been placed on these units. As of 20 september

3. It is to be noted that the Executive Staff is basically a policy support organization operating under a broad charter of agreements and understandings which do not necessarily come within the purview of the missions and functions listed in The order of functional priority is open to further discussion.
