IDENTIFICATION OF ACTIVITY: The Office of Security component responsible for making the Office of Security decision concerning an employee's intent to take outside employment while still an Agency employee.

ACTIVITY CODE: I, B, (b), 7   COMPONENT: OS/PSI/EAB

DATE:

EVALUATION:

25X1A

What is (are) our reference(s) for this activity? Date(s)?

███████████████████████   5 Feb 70

Is (are) the reference(s) still in force?   Yes X   No___
Who is (are) the beneficiary(ies) of this activity?

        Employees component

Do you feel the activity is still necessary? Yes X   No___
Do(es) the beneficiary(ies) feel it is still necessary? Yes___   No___
Can the activity be done more efficiently or less costly? Yes X   No___
    If so, how?
        By having the employees administrative component adhere to the intent of the regulation.

Do you feel that responsibility for the activity should be transferred to another OS component or to another Office? Yes X   No___
    If so, where and why?

        The employees administrative component who should determine if such employment will effect his performance.
Can another component do the activity more efficiently? Less costly?
More properly? Yes X   No___   If so, which component and why?

        Same as above.

Does the activity include anything questionable in the light of Watergate? Yes___   No X   If so, what?

Can this activity be reduced in scope/size or discontinued without significant effect on overall Agency security? Yes X   No___
If so, how?

        By rewriting the regualtion - indicating that approval is required only if there is security significance.
Is there any activity not now being pursued by OS that you feel is more important than this one? Yes___   No X   If so, what?

IDENTIFICATION OF ACTIVITY: The Office of Security component responsible for making the Office of Security decision concerning an employee's intent to engage in a non-Agency training program.

ACTIVITY CODE: I, B, (b), 8   COMPONENT: OS/PSI/EAB

EVALUATION: DATE:

What is (are) our reference(s) for this activity? Date(s)?

25X1A [redacted]   2 April 1964

Is (are) the reference(s) still in force?   Yes x   No____
Who is (are) the beneficiary(ies) of this activity?
        Employees component

Do you feel the activity is still necessary? Yes X   No____
Do(es) the beneficiary(ies) feel it is still necessary? Yes____ No____
Can the activity be done more efficiently or less costly? Yes X   No____
    If so, how?

        By having the employees administrative component adhere to
        the intent of the regulation.
Do you feel that responsibility for the activity should be transferred
    to another OS component or to another Office? Yes X   No____
    If so, where and why?

        The employees administrative component. If the employee is
        taking too many courses it could interfere with his Agency
        job.
Can another component do the activity more efficiently? Less costly?
    More properly? Yes x   No____ If so, which component and why?

        As indicated above, the employee's administrative component has
        the vested interest in this type of activity. If there is no
        security significance, the employees component should approve the
Does the activity include anything questionable in the light of request.
