SUBJECT: Electronic Surveillance Information Request -- United States v. [redacted]
[redacted]

STATOTHR

STATOTHR

1. On 11 December 1973 this Office informed the Department of Justice (DOJ) that CIA had never conducted any electronic surveillance of the individuals or organizations listed in Attachment 1. DOJ has now requested that we update our response for the period 16 November 1973 until the present.

STATOTHR

2. In addition, DOJ states in Attachment 2 that the court in the subject case has ordered the name of [redacted] added to the list of those to be checked for electronic surveillance information. While it may be of no use because of the manner in which we file such information, a list of [redacted] current and former addresses is contained in Attachment 2.

STATOTHR

3. As you will note in Attachment 2, the requested information was due before the court on 5 June 1975. The DOJ request is dated 4 June. An effort is being made to determine the current priority of the DOJ request.
