4. In addition to the equipment listed in the attachments, the Headquarters Security Branch has fourteen (14) tape recorders, five (5) of which are used at any given time to monitor the telephones in the 24-hour Security Duty Office. These recorders work off of 50B connectors installed by the Chesapeake and Potomac Telephone Company. They are used on a selective, instantaneous basis to record conversations of incoming calls for the purpose of insuring an accurate written report of the conversation.
