

OS REGISTRY

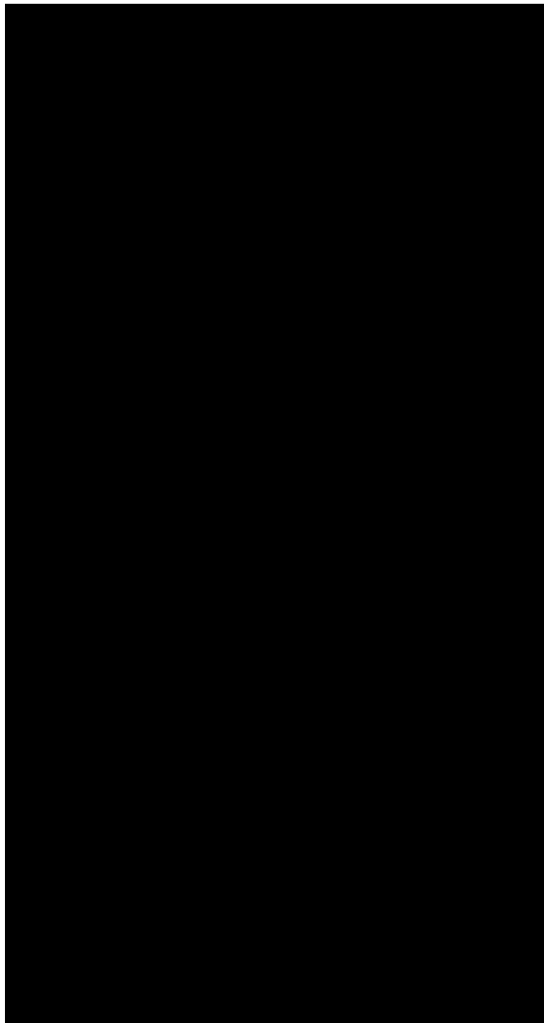

FILE *OS Directives*

Also: Personnel 8
Also: Personnel

I certify that I have read this date Office of Security Directive No. 76-18, related portions of Executive Order 11905 and Headquarters Regulation 7-1 and have participated in a meeting of the Policy and Plans Group at which the legality and propriety of Office of Security activities was discussed. Further, I certify that I understand the importance of insuring that the Office of Security does not participate in any improper or illegal activities. I understand the purpose of the Office of Security program to guard against such activities and at this time have no question in my mind regarding the impropriety or possible illegality of any of my duties.
