MEMORANDUM FOR: Deputy Director of Security (P&M)  
FROM : Robert W. Gambino  
Director of Security  
VIA : Deputy Director of Security  
SUBJECT : Program to Preclude the Use of Office  
Resources in Improper Domestic Activities

1. The attached is an excellent paper. I am a little concerned, however, that the admonitions are so strong we will not only achieve our stated purpose but we will inhibit initiative, innovation, and creativity.

2. I think there needs to be some expression of confidence that we can do the job well and at the same time encourage initiative, creativity and innovation.

3. Would you add the appropriate language to the proposed OS Directive and the memorandum to the Deputy Directors.

Robert W. Gambino
