NFIP Supplemental

[Redacted]

I need an MFR to close out my briefing <sup>Folder</sup> re subject. Since you

STAT

attended, would you mind writing one for me. Also, if possible, could

you get me a copy of the transcript. If not, I'll wait till Buddy gets

back from vacation and see if he can get one from [Redacted] If you

STAT

can't get an MFR written, could you send me your notes taken at the briefing.

All I need is a record of the briefing and exactly who was there.

Thanks.
