SUBJECT: Lessons Learned Seminar--Letters of Appreciation

Attached for your signature are letters of appreciation forwarding a preliminary report on the recently-completed Lessons Learned Seminar to Judge Clark; Generals Jones, Vessey, and Stillwell; and Andrew Marshall. A special letter of appreciation to [REDACTED] for his work in organizing the seminar is also included.

25X1

Based on the event's success, the letters report a decision to establish an annual seminar of our top-level planners and operators to review the principal relevant activities of the preceeding year and to view creatively plans and objectives for the next year. Defense has advocated this and we believe it can be very beneficial.

A finished short videotape of the seminar will be available later this summer for briefings to National Security Council principals.
