NOTE FOR: Executive Officer, DDS&T

FROM : Special Assistant to the DDCI

On behalf of the DDCI, I am sending you the attached letter, which requests a comprehensive briefing on CIA's knowledge of Soviet efforts in laser weapon R&D. (I trust that Mr. Dirks will be made aware of this request.)

Please ensure that the appropriate elements of the three Directorates are involved fully in the preparations for this briefing, given that both collection and analysis activities are to be addressed and given the last sentence of USDR&E's request. Can someone, perhaps explain to me what USDR&E is referring to in the last sentence of his letter? In any case, it may be that one or more experts--from SE, CRES, and/or OSWR--should attend, and participate in the briefing, as well.

If there is anything I can do to assist you, please let me know.
