Dear Bob:

At the outset, I want to tell you in a personal way how much I have enjoyed working with you from your days as DNI through your recent position as the DDCI. I always appreciated your cooperation with me and you stimulated me in many ways through your leadership during my days as Chairman of the STIC. Your support made my work much easier and much more effective.

In particular I would like to thank you for your support through your co-sponsorship of the recently completed Colloquium on Future Space Missions. From remarks I have heard I believe that in many ways the Colloquium was successful. The success was in large part because of your active role as a sponsor and your address and presence. I genuinely appreciate it.
