MEMORANDUM FOR: Deputy Director for Administration
FROM: Director of Central Intelligence
SUBJECT: New Building

I talked with Judge Clark about the building yesterday and intend to do some further missionary work around OMB and the White House. I think we ought to have a map showing how dispersed CIA is and indicating the possible numbers of people and general incidence of travel and in-work travel time from the various locations. Do not try to do this with any great precision -- just enough to give an impression and if necessary to talk from.
