Report and Recommendation to
the National Security Council

MAR 31 12 43 PM '82

ER

This report has been drafted in support of a requested presentation to the President and the National Security Council on an urgent basis. It outlines our recommendations for a major, immediate, and sustained public affairs campaign in Europe.

I am distributing this report prior to our NSC meeting so that its more pressing recommendations are not overtaken by events.

Your comments and suggestions in advance of the NSC meeting are welcome.
