Re: Briefing on Political and Economic Situation
in Kenya

Dear Mr. Casey:

As a United States Government agency that insures American investors against political risks attendant to investment in friendly developing countries, OPIC is presently concerned about the political and economic situation in Kenya. We have pending registrations for \$27 million of insurance for investments in Kenya now being contemplated. Accordingly, we would greatly appreciate a briefing on Kenya by your agency to a small group of OPIC professionals. Can this be arranged soon?

Thank you for your cooperation.

Sincerely,

Craig A. Nalen
