Dear [Redacted]

STAT

Let me begin by expressing my sincere appreciation for all of the experiences I participated in at the Thirteenth Annual Student Symposium. I have been to several conferences but none were run with such efficiency and concern for the conferees. The mixture between informative sessions, informal meal presentations, and free time provided conference participants with educational opportunities both within and outside the conference.

I am very proud to have received the [Redacted] Award. I was totally surprised. I wish to thank you and the Executive Board for such an honor.

Because of all of the fine experiences I had at the conference, I have applied for membership with the Center. I would also like to extend to you my services in any way to help with any program, project, or conference. If I can help in any way, please do not hesitate to call upon me.

Again, thanks for a wonderful experience.

Sincerely yours,
