

Central Intelligence Agency  
Washington, D.C. 20505

15 December

Executive Director

NOTE FOR THE EA/DCI

- As a follow-on to DCI interest in increased/improved contact with U.S. industry,  (and the DDA) ask that the DCI sign these -- as he apparently has before.
- In the future (or with regard to these), I could sign for him, or simply sign as Executive Director per DCI request -- whatever he prefers.
- Druthers?
