MEMORANDUM FOR: Director of Data Processing

SUBJECT : Contractor Computer Facilities Evaluation
for Potential GFE

STATINTL

1. I am requesting your assistance in evaluating the computer facilities at [REDACTED]

The objective should be directed toward the Agency's procuring similar equipment and supplying it as GFE. Although this route appears to be cost effective, we would appreciate your official recommendations.

2. I would envision this as being the initial step in reviewing all of our contractor facilities where computer equipment is used extensively.
