MEMORANDUM FOR: Director of Data Processing
SUBJECT : Transfer of OWI Funds for Proposed
Joint OWI/ODP Contract [REDACTED]

25X1A

1. Attached is a copy of a Technical and Cost Proposal from [REDACTED] by OWI and ODP for work associated with the [REDACTED] computer program. Cognizant people from both our organizations have reviewed and discussed this proposal. They have found it acceptable and agree it should be funded with the following two minor changes to be negotiated:

25X1A

a. The level of effort should be scaled to within our available combined budget of \$60K (\$40K OWI, \$20K ODP). The period of performance might need to be extended depending upon the date the contract is actually let.

b. Additional deliverable items should be specified as "event reports following the same basic format and technical content as previously submitted under the Counterpoint contract effort".

2. As you are aware, during the past fiscal year we have jointly funded contracts [REDACTED] for developmental work and training [REDACTED]. OWI is extremely pleased with this working arrangement and the results it has achieved. Our analysts are in day-to-day contact and our combined efforts have maximized the return on our contract dollars.

3. I intend to transfer \$40K of our programmed funds to be combined with the \$20K which you have authorized for the [REDACTED] effort. These funds
